Research profile

M.Sc. student in AI (GPA 18.45/20), preparing for thesis defense. Research on belief and uncertainty in VSR and Go, with PyTorch/CUDA training and inference. Seeking a fully funded PhD in computer vision, efficient deep learning or model optimization.

Selected research

EGOSD for VSR | Preprint · Under review at The Visual Computer

Entropy-Gated Online Self-Distillation for Visual Speech Recognition Based on Connectionist Temporal Classification

Mehrad Yaghoubi, Azam Bastanfard. 2026.

EGOSD uses an auxiliary belief module to estimate frame-level uncertainty and control online self-distillation in a lightweight VSR model, with negligible additional inference cost.

https://doi.org/10.2139/ssrn.6831426

Belief-guided decision making in Go | arXiv preprint

Belief-Guided Decision Making with Uncertainty Gating in the Game of Go

Mehrad Yaghoubi, Azam Bastanfard, Abbas Jalilvand, Ashkan Rezaei. 2026.

This work explores belief models that account for uncertainty to guide decisions in Go with less reliance on search.

Education

M.Sc. in Artificial Intelligence | Islamic Azad University, Karaj

2024 to 2026 (expected), preparing for thesis defense | GPA: 18.45/20

Thesis: improving lip-reading accuracy with deep neural networks.

B.Sc. in Computer Science (Software Engineering) | Islamic Azad University, Karaj

2017 to 2023 | GPA: 14.68/20

Research software

PyLipExtractor | Open-source Python package for video-based lip-region extraction with MediaPipe, temporal smoothing and configurable CPU/CUDA processing.

https://github.com/MehradYaghoubi/pylipextractor

Technical skills

Python, PyTorch, CUDA (PyTorch GPU training and inference), TorchVision, OpenCV, MediaPipe, NumPy, Pandas, scikit-learn, Git, Linux, LaTeX

Research, teaching and professional experience

AI Specialist | Ghasedak Peik Shahr | 2026 · 2 months

Co-founder | Fidar Technology Fartak (university startup project, not incorporated) | 1.5 years

University research | Research Center, Islamic Azad University, Karaj | 1.5 years

Software Instructor | Faculty of Work and Skills, Islamic Azad University, Karaj | 1 year

Programming Instructor | Net College Institute | 1 year

Robotics Instructor | Mohandesin Bartar Institute | 1 year

Languages

Persian (native), English (B1).
